

# CONTENTS

EC declaration of conformity .....	0-1	9. Operation in the special work sites .....	4-23
Foreword .....	0-2	10. Storage .....	4-25
Before servicing this machine .....	0-3	11. Regeneration system .....	4-27
Table to enter S/No and distribution .....	0-4		
EC regulation approved .....	0-5	<b>5. TRANSPORTATION</b>	
Safety labels .....	0-6	1. Road traveling .....	5-1
Machine data plate .....	0-15	2. Preparation for transportation .....	5-2
Guide (direction, S/No, symbol) .....	0-16	3. Loading the machine .....	5-3
		4. Fixing the machine .....	5-4
<b>1. SAFETY HINTS</b>		5. Loading and unloading by crane .....	5-6
1. Before operating the machine .....	1-1	6. Towing the machine .....	5-7
2. During operating the machine .....	1-15		
3. During maintenance .....	1-24	<b>6. MAINTENANCE</b>	
4. Parking .....	1-28	1. Instructions .....	6-1
		2. Tightening torque .....	6-5
<b>2. SPECIFICATIONS</b>		3. Spec of fuel, coolant and lubricants .....	6-8
1. Major components .....	2-1	4. Maintenance check list .....	6-10
2. Specifications .....	2-2	5. Maintenance chart .....	6-13
3. Weight .....	2-6	6. Service instruction .....	6-15
4. Specification for major components .....	2-7	7. Electrical system .....	6-44
		8. Air conditioner and heater .....	6-47
<b>3. CONTROL DEVICES</b>			
1. Cab devices .....	3-1	<b>7. TROUBLESHOOTING GUIDE</b>	
2. Cluster .....	3-2	1. Engine .....	7-1
3. Monitors .....	3-13	2. Electrical system .....	7-2
4. Switches .....	3-34	3. Power train system .....	7-3
5. Control device .....	3-43	4. Hydraulic system .....	7-4
6. Air conditioner and heater .....	3-47		
7. Others .....	3-51	<b>8. OTHERS</b>	
		1. Central grease lubrication system .....	8-1
<b>4. OPERATION</b>		2. Quick coupler .....	8-6
1. Suggestion for new machine .....	4-1		
2. Check before starting the engine .....	4-2	<b>INDEX</b> .....	9-1
3. Starting and stop the engine .....	4-3		
4. Warming-up operation .....	4-8		
5. Operation of the working device .....	4-9		
6. Traveling of the machine .....	4-10		
7. Efficient working method .....	4-15		
8. Adjustment of the work equipment .....	4-22
