

MACHINE DATA PLATE

The diagram shows a rectangular machine data plate with rounded corners and four mounting holes (two at the top, two at the bottom). At the top center is the Hyundai logo (a stylized 'H' in a triangle) followed by the text 'HYUNDAI' and 'HEAVY INDUSTRIES CO., LTD.' Below this is the address: 'Rodovia Presidente Dutra, km 315, Itatiaia, RJ, Brasil, 27580-000'. The plate is divided into several sections with labels in Portuguese: 'EQUIPAMENTO' (Equipment), 'PESO OPERACIONAL' (Operating weight), 'MODELO' (Model name), 'POTÊNCIA DO MOTOR (KW/rpm)' (Engine power), and 'NÚMERO DE IDENTIFICAÇÃO DO PRODUTO' (Product identification number). There are five numbered callouts: 1 points to the 'EQUIPAMENTO' field, 2 points to the 'MODELO' field, 3 points to the 'NÚMERO DE IDENTIFICAÇÃO DO PRODUTO' field, 4 points to the 'PESO OPERACIONAL' field, and 5 points to the 'POTÊNCIA DO MOTOR (KW/rpm)' field. At the bottom of the plate, it says 'NÃO DEFORME OU REMOVA ESTA PLACA' (Do not deform or remove this plate).
