

MACHINE DATA PLATE

The diagram shows a rectangular machine data plate with rounded corners. At the top center is the Hyundai logo (a stylized 'H' inside a triangle) followed by the text 'HYUNDAI' and 'HEAVY INDUSTRIES CO., LTD.' in smaller text. Below this, the address 'Rodovia Presidente Dutra, km 315, Itatiaia, RJ, Brasil, 27580-000' is printed. The plate is divided into several sections by lines. On the left side, there are three numbered callouts: '1' points to a box labeled 'EQUIPAMENTO', '2' points to a box labeled 'MODELO', and '3' points to a large box labeled 'NÚMERO DE IDENTIFICAÇÃO DO PRODUTO'. On the right side, there are two numbered callouts: '4' points to a box labeled 'PESO OPERACIONAL' and '5' points to a box labeled 'POTÊNCIA DO MOTOR (KW/rpm)'. At the bottom center of the plate, the text 'NÃO DEFORME OU REMOVA ESTA PLACA' is printed. There are small circles at the four corners of the plate, possibly representing mounting holes.
