

· ELECTRICAL CIRCUIT (1/3, 120/130D-9V)

· ELECTRICAL CIRCUIT (2/3, 120/130D-9V)

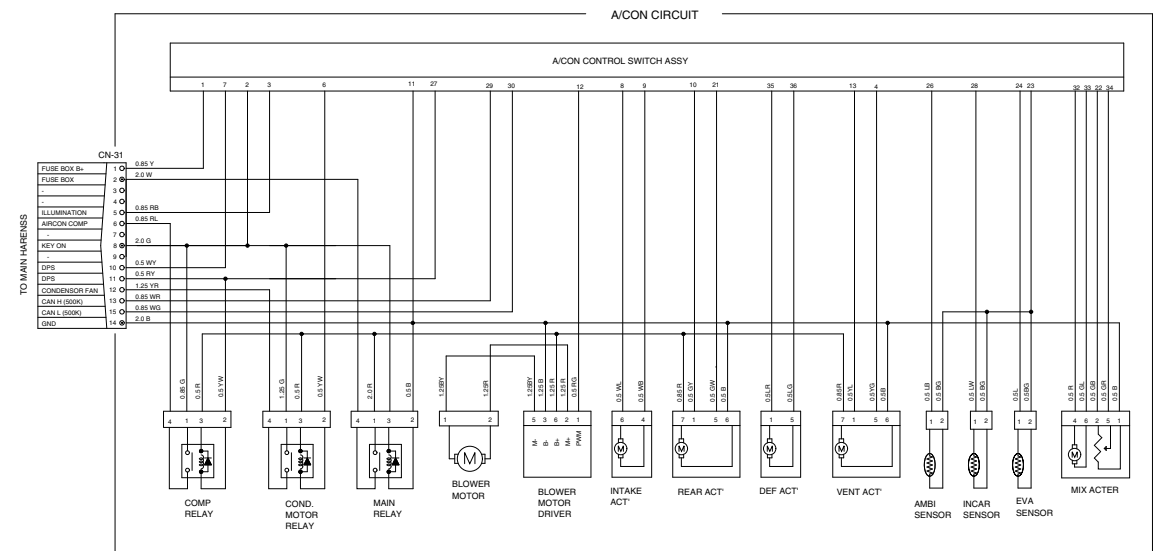

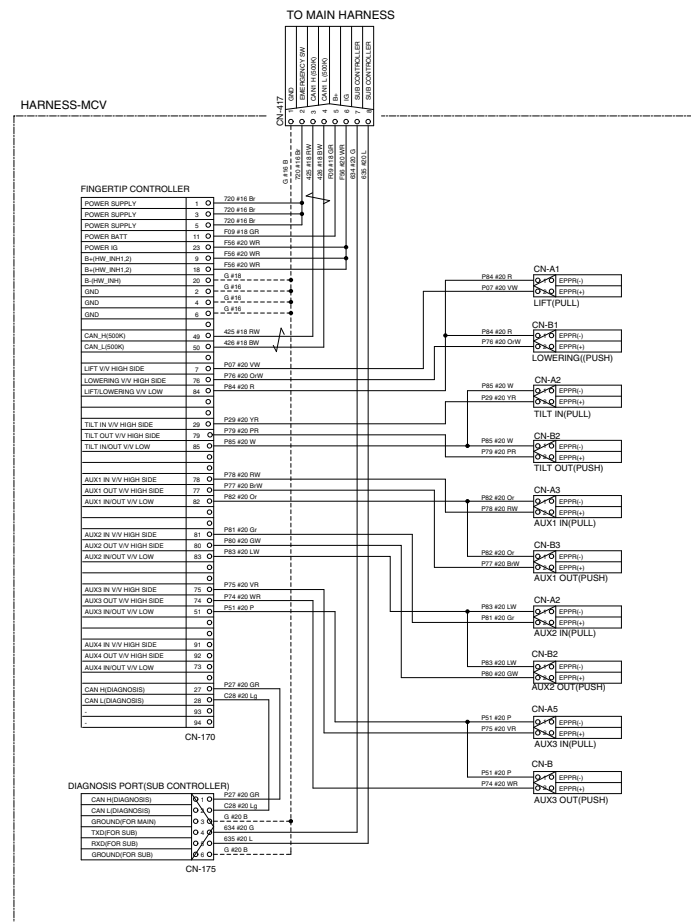

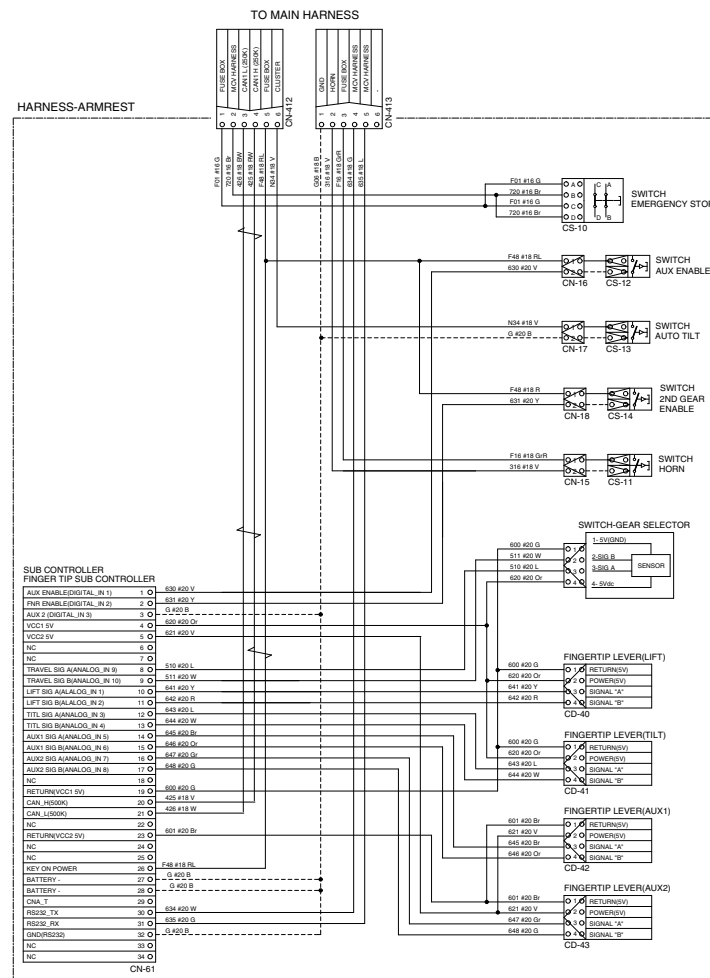

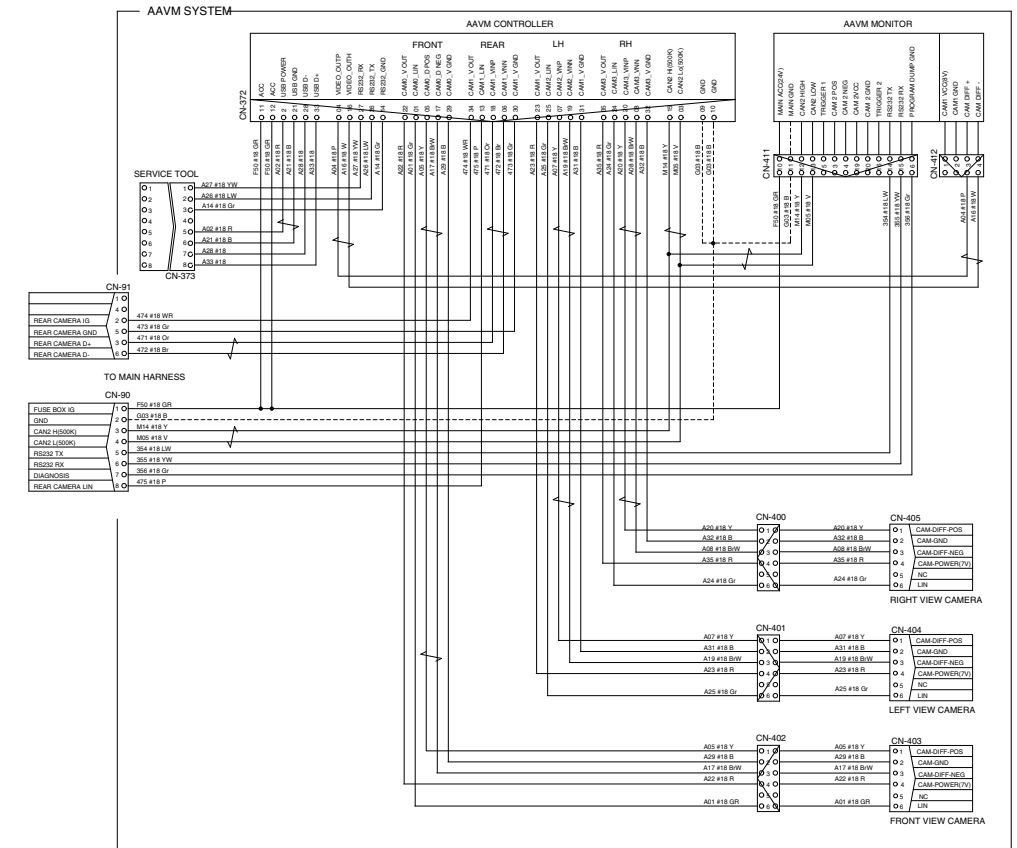

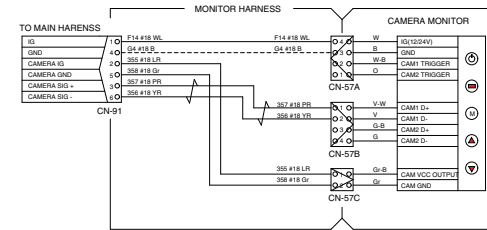

The diagram illustrates the electrical system for a vehicle's interior and exterior components. It includes a USB MP3 Radio connected to an antenna and speakers. The system also controls several lamps (Room, Rear Work, Beacon), a top wiper, power windows, a fan, and an RMS antenna. The wiring is organized by color-coded bundles and labeled with connector types and pin numbers.

**Components and Connections:**

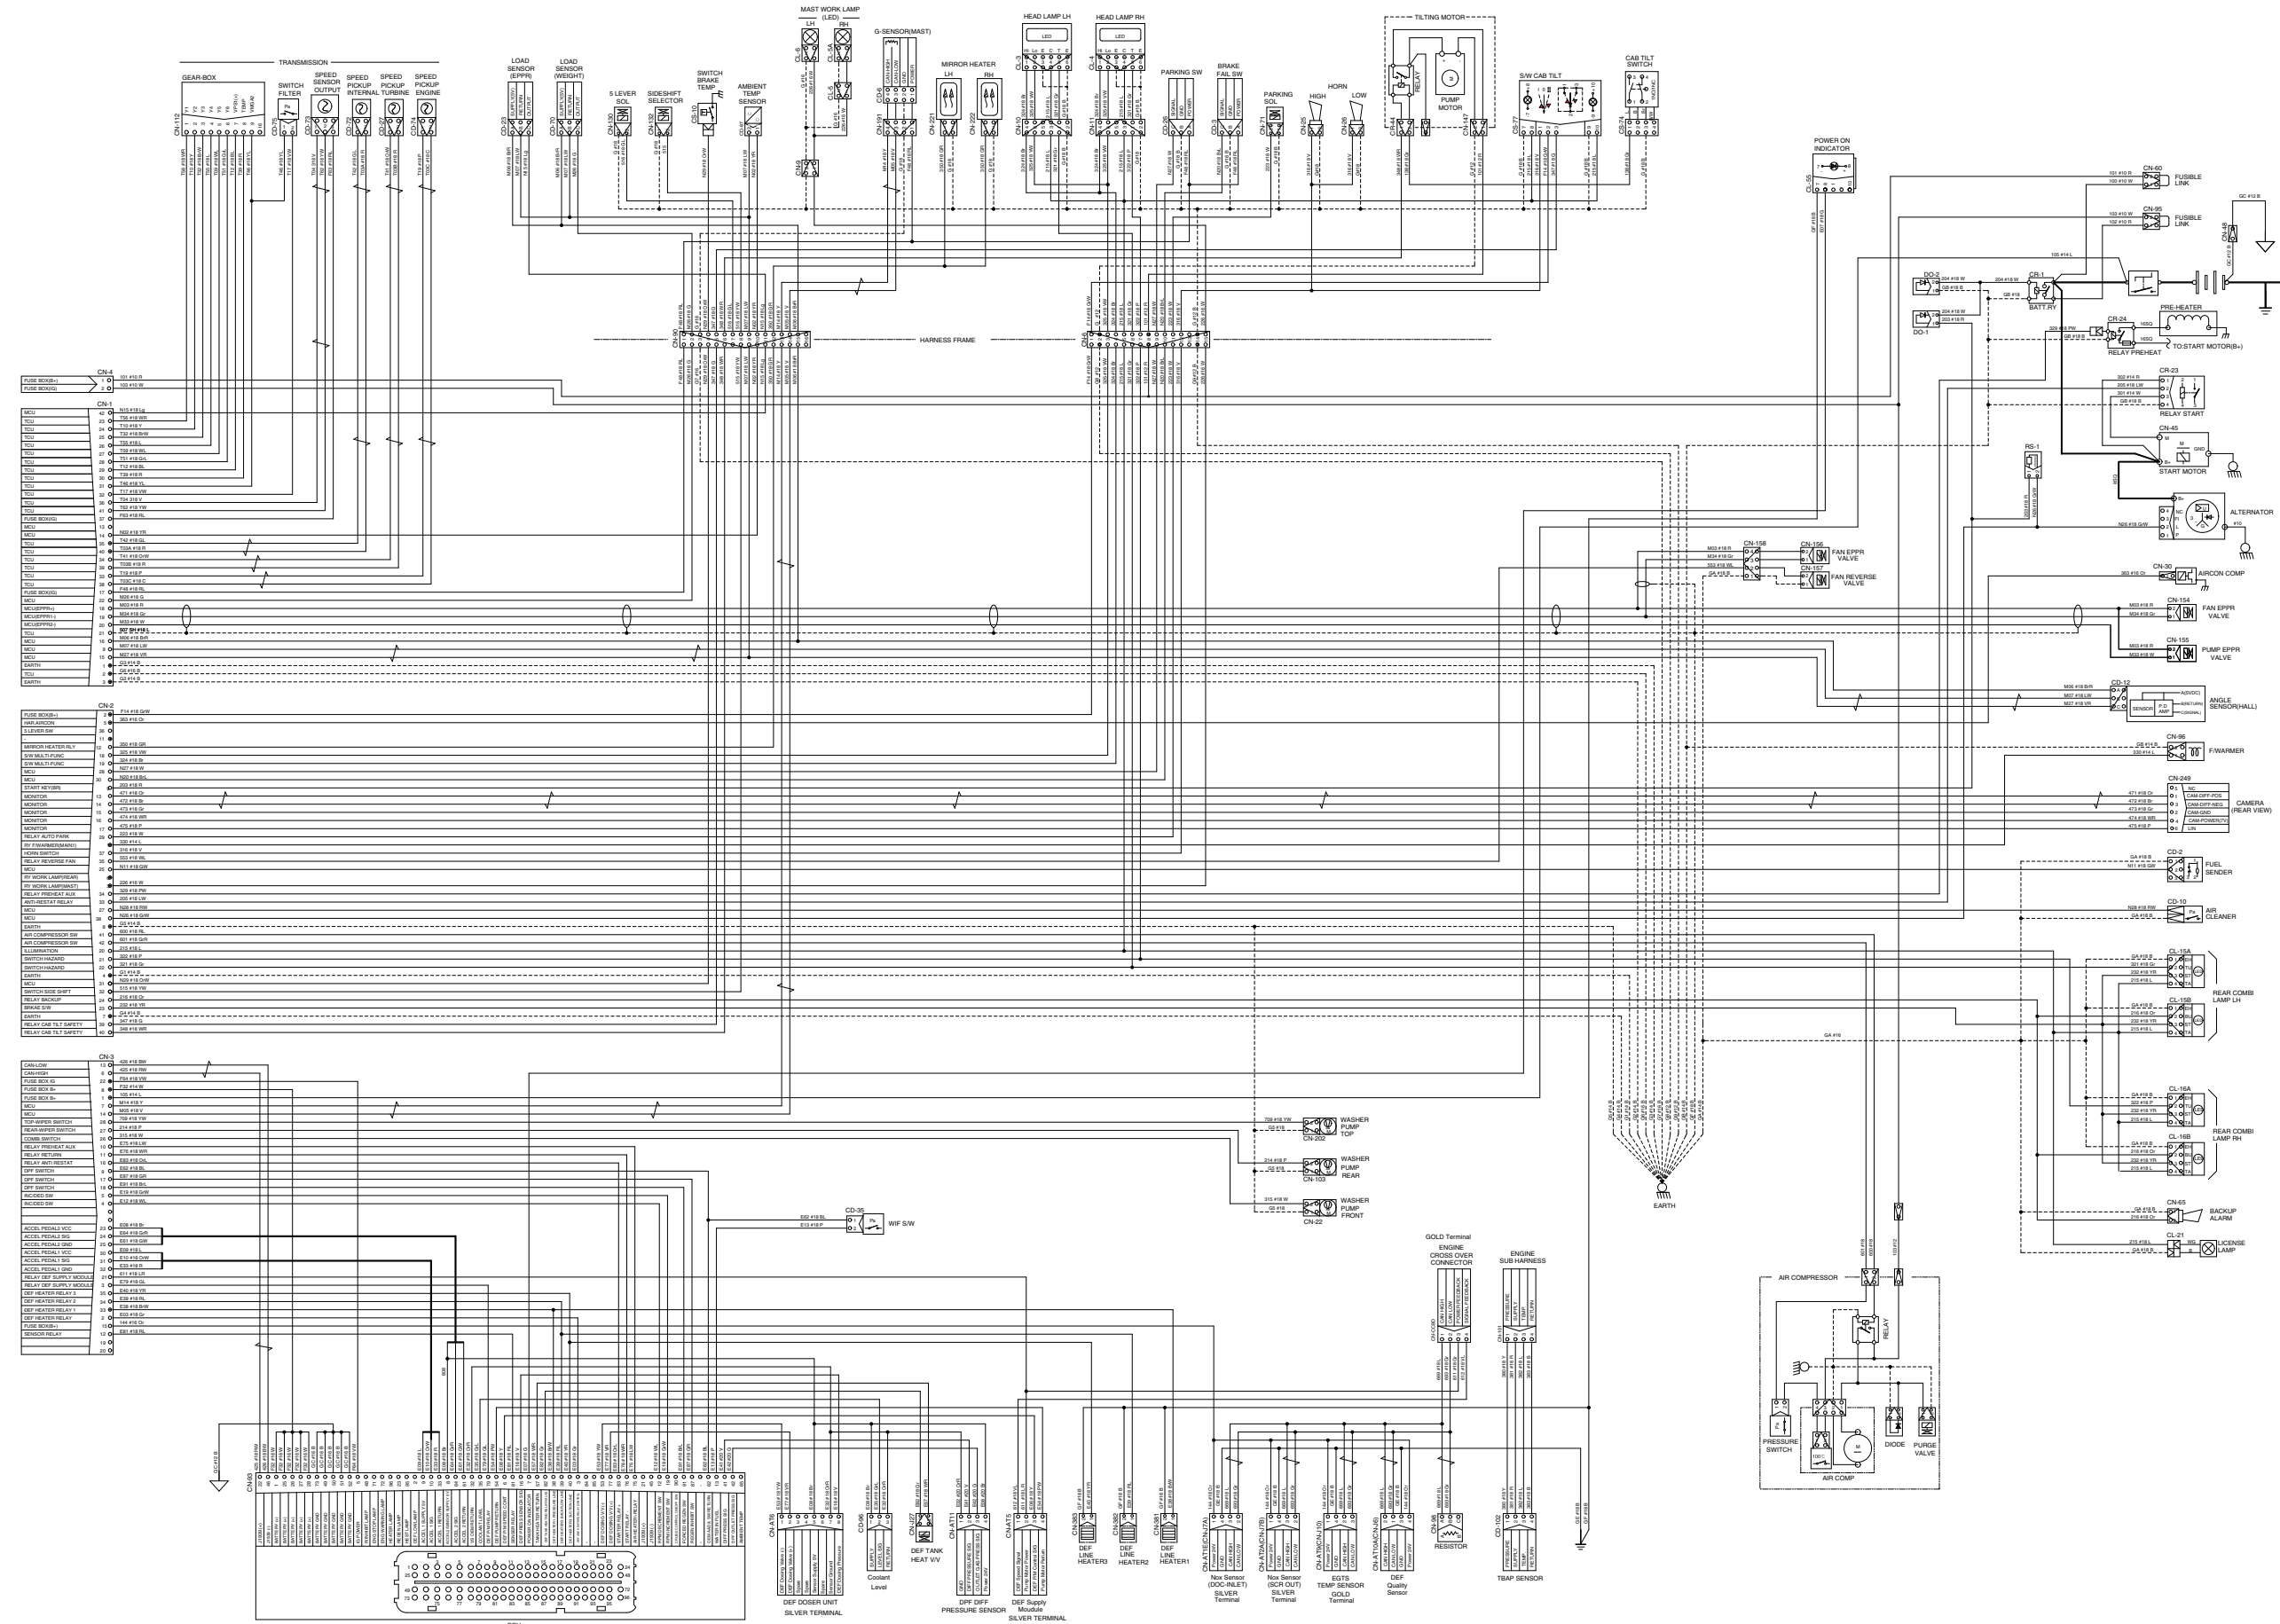

- USB MP3 RADIO:** Connected to ANTENNA, SPEAKER, ROOM LAMP, REAR WORK LAMP, BEACON LAMP, TOP WIPER, POWER WINDOW, FAN, and RMS ANTENNA.
- SPEAKER:** Connected to USB MP3 RADIO.
- ROOM LAMP:** Controlled by DOOR SW RH and LH.
- REAR WORK LAMP:** Controlled by DOOR SW RH and LH.
- BEACON LAMP:** Controlled by DOOR SW RH and LH.
- TOP WIPER:** Controlled by DOOR SW RH and LH.
- POWER WINDOW:** Controlled by DOOR SW RH and LH.
- FAN:** Controlled by DOOR SW RH and LH.
- RMS ANTENNA:** Connected to USB MP3 RADIO.
